Paris Proposes Tax on Tourist Hotel Bills Special Cable to THE New York Herata. Copyright, 1921, by THE NEW YORK HERALD. New York Herald Bureau. Paris, Dec. 21.

ESPITE vigorous protests from Paris hotel keepers that it will keep tourists from coming to France, the Paris Municipal Council intends to com-pel every visitor to the French capital to pay a "tax de sejour," which probably will be 2 per cent, of their hotel bills.

The city budget, which has jus been presented by Councilor Lalou, provides for receipts amounting to 30,000,000 francs from this source, and as the budget has already re-ceived the approval of the Finance Committee there is little doubt that the tax will be applied before the end of the year.
